90002 DINING SIDE CHAIR

Shown without cushion to highlight Ecoplex™ construction

RECYCLED & RECYCLABLE

The *Great Lakes* collection is constructed with recyclable aluminum frames and

Ecoplex,[®] a unique composite material made of 97% post-consumer recycled plastics.

Great Lakes brings truly sustainable and elegant style into any outdoor room.

EFFORTLESS LUXURY

IS NOW VIRTUALLY MAINTENANCE FREE

IT'S CALLED ECOPLEX[®]

Sutherland's exclusive Ecoplex is possibly the most maintenance free material available today. Occasional soap and water are all it needs to stay clean. It's also highly resistant to moisture, fading, insects, splintering, and warping.

THE COLLECTION

The collection contains a wide variety of outdoor furnishings including a sofa, chaise, dining and lounge seating, and a selection of tables and planters. All feature the elegant restraint and balanced proportions that define *Great Lakes*.[™]
